I'm with it babe, baby
I'm with it babe, baby
I'm with it babe
I'm with it baby
I'm with it baby

Yes love may I respond
To the train that you came on
I know I said some things but I was wrong
Laying in bed thinking about it
I never knew you'd get a hold of my soul
Maybe we was lovers in a different life
I'm sure we were loving in a different time
I can hear the message, I can see the sign
Yea, must be braille I read it in your touch
The God of lust had a laugh on us
Cah we tried but couldn't get enough
Sitting here pressing rewind, hitting replay, the way we
laid
Over and over and over again
Over and over and over again
Over and over and over again

I'm with it babe, baby
I'm with it babe, baby
I'm with it babe
I'm with it baby
I'm with it baby

Cupid shot me, got me with the .45
Big insurgent anytime we in sight
Soon come lover and no dat me no lie
Check the time, gym status
I think I like what we creating
Monet would say, ey OK.
Mummy would say go baby
I know why Cee Lo crazy
Sitting here pressing rewind, hitting replay, the way we
laid
Over and over and over again
Over and over and over again

I'm with it babe, baby
I'm with it babe, baby
I'm with it babe
I'm with it baby
I'm with it baby
[Repeat until fade]
