

## Speech DeBelle

### "Shawshank Redemption"

Visit "[Shawshank Redemption](#)" on MotoLyrics.com

You notice, you so focused on the things they don't do  
or don't do for you  
You said they have not grown, not like you  
But forgetting that you still got growing to do too  
And it's a simple fact, you're supposed to have a future  
together so you work with that  
I said you wasn't focused, but now look at you so  
focused  
Somebody else seeing progress, 'cause they had  
patience  
I was tired of waiting, but you weren't tired of waiting  
'Cause you put up with me I should've put up with you  
too  
Now I'm sitting here saying how much care for  
Sitting here sipping on something saying I'm missing  
you  
And all the while you was waiting full of frustration  
Holding you at arms length for ages  
I'm kinda ashamed to say it, I gotta live with as  
payment

[Hook]  
I never called  
And you were my only  
Wounds are raw  
Now I'm lonely  
I gave up sure for unsure  
Never do that  
I gave up sure for unsure  
Never do that

I was a fool for losing you slowly  
Letting you walk away from me  
I gave up sure for unsure  
Never do that  
I gave up sure for unsure  
Never do that

Something had to give, you had to leave  
So you letting go was really the best thing  
You did it for yourself, I can see that, yes

Thinking bout my own selfishness less  
Would have been better for us, I brought nothing but  
fuss  
We debated about where we taking this life  
I lied to you now, I cry for you  
Cause my pride told me that I wanted more than you  
But wanty wanty can't get and get and getty getty nah  
want it  
Foundation wasn't strong that's why I fell of it  
The promise I made to you wasn't honest  
Too smart for myself so I lost the profits of you  
Things that I do make me question my sanity  
Chasing the ones that will never be right for me  
I'm kinda ashamed to say it  
I gotta live with that as pain meant

[Hook x2]

I never called  
And you were my only  
Wounds are raw  
Now I'm lonely  
I gave up sure for unsure  
Never do that  
I gave up sure for unsure  
Never do that

I was a fool for losing you slowly  
Letting you walk away from me  
I gave up sure for unsure  
Never do that  
I gave up sure for unsure  
Never do that

My ego's amazing  
Always gets me in situations  
Like this cause I'm fly  
So I just let you walk by

Wasn't keen on staying  
Now I ended up with Nathan  
And Nathan gives me nothing  
I get nothing from Nathan
