Iâ€™ve no wish to hurry you luv
But have you seen the time
Itâ€™s quarter to ten and weâ€™re supposed to be there
At nine
I donâ€™t think the registrar
Will be very pleased
When we show up an hour late
Like two frozen peas
Both now facing for the first time
Presently and past
Something that begins with M
And ends in alas
More than not complete disaster
Even from the start
What could it be...
Itâ€™s Matrimony
I know how youâ€™ve dreamt about
Being walk down the aisle
But think of the money weâ€™ll save
And youâ€™ll see itâ€™s worthwhile
It wonâ€™t please our mums and dads
But they donâ€™t even know
Besides if they did whatâ€™s the betting
They wouldnâ€™t even go
You and me are all that matters
Disregard the rest
Trust your soon to be the old man
He knows what is best
Very shortly now thereâ€™s going to be
An answer from you
Then one from me
Thatâ€™s matrimony
Iâ€™m truly grateful for the little things in life
That have made me so glad
Every other hour that I spend with you
Is not in the least bit sad
Quite the opposite in fact
And if you donâ€™t believe me
Hereâ€™s the proof
Ask me if I and Iâ€™ll say "Aye, I do" -
Marriage - the joining together of the two people
For better or for worse till death them do part
