When the world you live in  
Really gets you down  
When you feel a pain inside you  
Starting to pound  
And the girl you love  
She doesn't want to know  
Let na old friend as a Godsend  
Lead you to where peaceful waters flow

And if the day you thought  
Was drawing to a close  
Just drags on and on till when  
Only heaven knows  
And the car you bought this morning  
Doesn't go  
Let an old friend as a Godsend  
Lead you to where peaceful waters flow

There you'll find  
Much to your pleasure  
That you haven't got a care  
All the worries you had in you  
Are no longer there

Take my hand and I will lead you  
To a place  
Where the sun will warm your heart  
With all of its rays  
And sky at night  
Has such a magic glow  
It's a feeling - unbelieving  
In a land where peaceful waters flow

Where you'll find  
Much to your pleasure  
That you haven't got a care  
All the worries you had in you  
Are no longer there

Follow me and I will lead you  
To a place

Where the sun will warm your heart  
With all of its rays  
And sky at night  
Has such a magic glow  
It's a feeling unbelieving  
In a land where peaceful waters flow  
Where peaceful waters flow  
Take me to where peaceful waters flow  
Take me back where peaceful waters flow
