Soulja, soulja

Hey man its your boy Soulja Boy
This right here's called the best song ever

Swag, swag
Here we go

Got gasoline like propane
Bald head d'rogaine
Miami on south beath
LeBrawn James, no rang
Chillin with Lil Wayne
Star on my head
Birdman
Hold up
Stop it
Look at Chris Bosch neck

Woop swag woop swag
Look like an ostrich
Woop swag swag swag
Look like an ostrich
Lets get back on subject
Labels cut, the check
This song is the shit
Woop woop, the shit

Shit make, no sense
Swag swag no sense
Swag swag no sense
Swag swag no sense
Do I have to say it again the Best Song Ever
White boy on my left, thats my nigga
Wait a minute, you can't say nigga
In school I was a slacker
Cheated off this cracker
Now I eat crackers
Do you want some snack, bruh?

Swag swag swag, SOD SOD
Kill them shits

I'm straight
Lil B said
I'm gay
Wait
I'm gay?

Swag swag swag swag swag cool with me
McDonalds ice tea
Shout out to Ice T
That is my homie
Coco got a fat ass
Rick Ross
Fat ass
Dot dot dot
SWAG SWAG

Swag swag swag swag swag swag swag swag
Just a young nigga tryna get the cake
Ice on my wrist Brian pumper fake
Kanye
Amber Rose
Pussy
Downgrade
Use to chill on boats and yachts
Now your on the couch in smoke shops
Smokin that reefa
With Wiz Kalifa!

You lost yo damn mind
Fell of the pony like Ginuwine
Swag swag swag swag swag swag swag swag
Bitch you a nickel
You ain't a dime
I take that back
You a nine
