[Instrumental break]

Why don't you ... me in this wind snow

Here in the corner stands alone,

Forgotten dreams, forgotten smiles

While I still want to hear the perfect love song!

Perfect love song!

... Sun goes ... and sun goes plain

One last dream and one last place

Turned into light here

The perfect love song!

Perfect love song!

[Instrumental break]

How quickly memories set the nest

It feels like we already met!

A soundtrack saying on and on

From beginning ... the perfect love song!

Perfect love song!

The Perfect love song! Perfect love song!

The Perfect love song! Perfect love song!
