Ya yo-ha pasado por esa cosa  
Iâ€™ve been all through this thing  
Ya yo-ha pasado por esa cosa  
Iâ€™ve been all through this thing  
You said our love would be ever so bright  
But I canâ€™t afford to make the sacrifice  
Cause I, cause I been all through this thing  
Yeah baby

You kiss and hold me just the way Iâ€™d want you to  
But when it all goes down you still remain untrue  
And I, and I been all through this thing

Ya yo-ha pasado por esa cosa  
Iâ€™ve been all through this thing  
No quiero saber nada  
Ya yo-ha pasado por esa cosa  
Iâ€™ve been all through this thing  
No me hables mas

First time we met we had a lovely start  
Then we joined hands and said that weâ€™d never  
part  
But now I close my ears  
Found out that you werenâ€™t sincere  
I caught you there, been playing everywhere  
But you were never here when I needed you  
â€œNever here when I needed youâ€ -- so I say  
Pasado por esa cosa  
Iâ€™ve been all through this thing  
So I say, Pasado  
So I say -- Pasado por esa cosa  
Iâ€™ve been all through this thing  
So I say -- Pasado

No quiero saber nada  
No me hables mas  
Oye mulata mami mira  
Echa, echa te pa ya  
Ya yo-ha pasado por esa cosa  
Iâ€™ve been all through this thing
