I am selling peace on earth god
I am trying not to be so work god
For what is worth I am over term
Riding till the sun up jews .. try to stay on
What might come up niggers keep testing me
I am trying to put this gun up they got me looking like a
red â€¦
Looking for trespasses all these demons in my way
I am trying to brush beside them beside college and
rapery
Excites them thank for my right .. a fight on the way up
Lost a couple of partners .. I am just trying .. keep them
safe
Form this jungle .. there is no end to this life that we live
Just enjoy this life fall in love and enjoy you ..
Think twice before you go to die
Think twice before you go to die
Think twice before you go to die
