I've been thinkin'
I've been facin [or phasin']
I've been makin' a shelf
To line 'em up along
And not to keep it all to myself

These words
They need a night out
Evil, hopin' to slow it down

Cuz at first it comes a rushin' heap
And all the little feelings start to
Gather at my feet
And now I know that I'm soundin' crazy, but-
I guess, oh well, I can't explain, but-

Feel like I'm under a spell so--
Are you bewitchin'?
Are you bewitchin'?
Feel like I'm under a spell so--
Are you innocent?
Or pullin' on a puppet string?

(On a puppet string)

Well in a second I'm a reck and I don't wanna leave out
There isn't time to wonder why or even think for myself
I've caught up
I didn't see it, but
I'm sure
I wouldn't care if I had

Cuz at first it comes a rushin' heap
And all the little feelings start to
Gather at my feet
And now I know I'm soundin' crazy, but
I guess, oh well, I can't explain, but-

Feel like I'm under a spell so-
Are you bewitchin'?
Are you bewitchin'?
Feel like I'm under a spell so-

Are you innocent?
Or pullin' on a puppet string?

Pullin on a puppet string
oh, oh
Is something influencing all my decisions, yeah
Cuz I can't seem to think for myself, anymore

Cuz at first it comes a rushin' heap
And all the little feelings start to
Gather at my feet
And now I know that I'm soundin' crazy, but-
I guess, oh well, I can't explain, but-

Feel like I'm under a spell so-
Are you bewitchin'?
Are you vewitchin'?
Feel like I'm under a spell so-
Are you innocent?
Or pullin' on a puppet's string?

Feel like I'm under a spell so-
Are you innocent?
Or pullin' on a puppet's string?

(On a puppet string)
(Pullin' on a puppet string) (Oh)
(Oh).
