Mercy, hallelujah,  
we're never coming home  
and I know what you're thinking  
and I'd rather be alone  
sometimes when I'm nervous, I'll call you from my phone  
but goddamn, if it kills me, darling  
I'd rather be alone

If this is how they planned it  
then I can't, no I can't stand it,  
how the lies were all we salvaged,  
we're screwed

So don't crucify me,  
or throw me off the track  
'cause just like Jesus Christ, you know,  
I'm never coming back  
mercy, hallelujah,  
we're never coming home  
but I know what you're thinking, father,  
I know that you know

That this is how they planned it  
and I can't, no I can't stand it,  
how the lies were all we salvaged,  
we're screwed  
when I turn my head to say goodbye  
and the walls are whispering their lies  
and the truth won't ever come to light,  
we're screwed

If this is how they planned it  
then I can't, no I can't stand it,  
how the lies were all we salvaged,  
we're screwed

when I turn my head to say goodbye  
and the walls are whispering their lies  
and the truth won't ever come to light,  
we're screwed
