I been trying hard to tell you  
Still, I guess it's too late now  
Reckon all your friends have told you  
Really wish that I'd known how  
Well remember when i told you  
If you ever let me down  
Then this player would be playing  
In another game in town, wo-oh  
This player's playing in another game in town.

Now the other ????? take us  
Just like other was to me  
If you think I'm gonna join 'em  
Hold your breath and wait and see  
Oh, if you can spare a moment  
Maybe start to wonder why  
Then there'd be no time for crying  
There'd be no time left to cry, wo-oh  
The time for crying, there'd be no time left to cry

Two-timer, three-timer, insider, outsider,  
Why do you do it all?  
Fast runner, slow runner, home runner, lone runner,  
Don't look back it might disturb you  
Don't let a thing disturb you  
Oh I bet it gets so lonely  
When your friends are getting down  
And this player is a-palying in another game in town,  
wo-oh  
This player's playing in another game in town

Two-timer, three-timer, insider, outsider,  
Why do you do it all?  
Fast runner, slow runner, home runner, lone runner,  
Don't look back it might disturb you  
Fast runner, slow runner, home runner, lone runner,  
Why do you do it all?  
Two-timer, three-timer, insider, outsider,  
Don't look back it might disturb you  
Don't let a thing disturb you

Two-timer, three-timer, insider, outsider,  
Why do you do it all?...
