( bown )

I don't remember anymore  
I woke up freezin on the floor  
My head was buzzin like a saw  
I don't remember anymore

She stole the bottle then she said  
Your eyes were blue and now they're red  
I think i'll carry you to bed  
I don't remember anymore

I wanna rock and roll, wanna sell my soul  
Sail the tv round the swimming pool  
I want my name in lights a la johnny b. goode  
Be an all night loon like a ronnie wood

Don't read the writing on the wall  
Cos if i'm having me a ball  
I stand around till i fall  
And don't remember anymore

I wanna rock and roll, wanna sell my soul  
Sail the tv round the swimming pool  
I want my name in lights a la johnny b. goode  
Be an all night loon like a ronnie wood

She stole the bottle then she said  
Your eyes were blue and now they're red  
I think i'll carry you to bed  
I don't remember anymore

I wanna rock and roll, wanna sell my soul  
Sail the tv round the swimming pool  
I want my name in lights a la johnny b. goode  
Be an all night loon like a ronnie wood

Don't read the writing on the wall  
Cos if i'm having me a ball  
I stand around till i fall  
And don't remember anymore

I don't remember anymore  
I don't remember anymore  
I don't remember anymore  
I don't remember anymore
