Oh I tried to get to you
Pushed in the end to break me through
I tried with all I had
You left me standing empty handed

Well times has passed
Nothing ever lasts

So now you confess that you need me
And now you release what you're feeling
But how is this suppose to ever be the same

Oh it's a shame
It's a shame X2
Yeaa

You got the best of me
Got me a reason
Got me on my knees yea
My love I lost my pride
Searching for something I couldn't find

Well time apart has brought a change of heart

And now you confess that you need me
And now you release what you're feeling
But how is this suppose to ever be the same

Oh it's a shame
It's a shame X2
Yeaa

You got the best of me
I said love got the best of me
Saying you got the best of me
And I'm afraid it will never be the same

Oh it's a shame
It's a shame X4
