Me and my baby don't do nothing but laze around all  
day long

Me and my baby don't do nothing but laze around all  
day long

Yeah, when I'm with my baby  
Lazy pokin' going on

She put some coal on the fire so I can keep my poker  
hot

She put some coal on the fire so I can keep my poker  
hot

Yeah, when I'm with my baby  
Lazy pokin' going on

She put some coal on the fire so I can keep my poker  
hot

She put some coal on the fire so I can keep my poker  
hot

Yeah, when I'm with my baby  
Lazy pokin' going
