(Rossi / Frost)

I had another drink after another drink and then I tried
to crawl to the door
I had another smoke after another joke and then I
couldn't take any more
It didn't change a thing, not any single thing, when
someone tried to tell me for sure
I heard another voice that said I wasn't in a dream
I read a word or two about everything
I never knew the way that it oughta have been
They never told me a thing about it
I never did know a thing about it
And the lies in the eyes of a thousand eyes they won't
go away
And the times that I tried are the times that I find they
don't show today
But you make me feel so good

I woke up after four, still lying on the floor, and waiting
to be carried away
I woke up once again, a little after ten, will things be
any better today
It doesn't change you see, it only changes me, well
someone tried to tell me I'm sure
I'm gonna hear a voice and know it isn't in a dream
I'm gonna read the lines and get a look between
I never knew the way that it oughta have been
They never told me a thing about it
I never did know a thing about it
And the lies in the eyes of a thousand eyes, they won't
go away
And the times that I tried, are the times that I find they
don't show today
But you make me feel so good

I'm going back to school, I'm gonna check the rule, and
see if I get carried away
I'm going back again, I'm gonna try again, don't listen
what the people might say
It doesn't change a thing, not any single thing, well

someone tried to tell me for sure
I'm gonna hear a voice and know it isn't in a dream
I'm gonna read the lines and get a look between
I never knew the way that it oughta have been
They never told me a thing about it
I never did know a thing about it
And the lies in the eyes of a thousand eyes, they won't
go away
And the times that I tried, are the times that I find they
don't show today
But you make me feel so good

I'm gonna hear a voice and know it isn't in a dream
I'm gonna read the lines and get a look between
I never knew the way that it oughta have been
They never told me a thing about it
I never did know a thing about it
And the lies in the eyes of a thousand eyes, they won't
go away
And the times that I tried, are the times that I find they
don't show today
And the lies in the eyes of a thousand eyes, they won't
go away
And the times that I tried, are the times that I find they
don't show today
And the lies in the eyes of a thousand eyes, they won't
go away
And the times that I tried, are the times that I find they
don't show today
And the lies in the eyes of a thousand eyes, they won't
go away
And the lies in the eyes of a thousand eyes, they won't
go away
