(Parfitt / Bown)

Well, if you're ever in Los Angeles
And you've got time to spare
Take a stroll up Sunset Boulevard
You'll find the Whiskey there
Gliding round the tables
With wondrous natural ease
Serving two-star brandy
Is the body you have to see...all belonging to

Long-legged Linda
She sure was worth the flight
Long-legged Linda is playing the Whiskey
Tonight

Oh don't boogie-woogie with Linda
'Tho she dances like a dream
She acts like she's a thousand
But she's barely sweet sixteen
She re-arranged my brain-cells
And took control of me
So if I miss my plain to Jacksonville
You can guess where I'll still be...I'll be diggin'

Long-legged Linda
She sure was worth the flight
Long-legged Linda is playing the Whiskey
Tonight

She re-arranged my brain-cells
And took control of me
So if I miss my plain to Jacksonville
You can guess where I'll still be...I'll be diggin'

Long-legged Linda
She sure was worth the flight
Long-legged Linda is playing the Whiskey
Tonight

Long-legged Linda

She sure was worth the flight
Long-legged Linda is playing the Whiskey
Tonight

Long-legged Linda
Long-legged Linda
Long-legged Linda
Long-legged
