I was writing
Thinking with my long hand
Flippin the paper
Everything was sinking
In start to wonder
How you gonna handle me?
Swimming in the dark sea

Everybody wants you to make
It's all yours
Everybody wants to take
It's all yours
Everybody wants you to make
It's all yours
Everybody wants to T-t-t-take it

Can you feel all the love
Can you feel all the love?
Can you feel all the love
Can you feel all the love?
Like it was Made for you!
Like it was made for you...

Tell me something
Something that can move me
Don't tell me lies
I swear your gonna lose me
Big like an ocean
Jealous of the fish it feeds
Your devotion
Swimming inside of me

Everybody wants you to make
It's all yours
Everybody wants to take
It's all yours

Everybody wants you to make
It's all yours
Everybody wants to T-t-t-take it
[Can you feel all the love
Can you feel all the love?
Can you feel all the love
Can you feel all the love?]

Like it was Made for you!
Like it was made for you...

Can you feel
Can you feel?
Can you feeeel?

All the right friends in all the right places
All the right moves and all the right faces
All the right friends in all the right places
All the right moves and all the right faces
[Can you feel all the love]
All the right friends in all the right places
All the right moves and all the right faces
[Can you feel all the love]
All the right friends in all the right places
All the right moves and all the right faces
