(Rossi / Frost)

Captured my heart
Captured my memory
Captured a time for me
I could see
A time for me
Is gonna be

Deep in my heart
Deep in my memory
Deep in a part of me
Heart of me
Meant to be history
Could it be that I'm still wondering

I never knew what had happened to me
I didn't think it was true
That I could be just like anyone else
I'll take my chance with you

Picture a dream
Picture a fantasy
Picture a mood of me
Mystery you and me a mystery

Lost in a dream
Lost in a fantasy
Lost in what seemed to be
Dreams to be
Seemed to be
Had to be
Couldn't find no other reason

I never knew what had happened to me
I didn't think it was true
That I could be just like anyone else
I'll take my chance with you

Lets have a drink
It's Marguerita time

It's Marguerita time
After nine
Summer time
Any time
You'll still always find me wondering

I never knew what had happened to me
I didn't think it was true
That I could be just like anyone else
I'll take my chance with you
