[INTRO]

[Verse 1]

Do trust me.
I've seen death before coming,
It was haunting me but now,
this is the end.

[Rap]

Why don't you try to stop me right now?
I ain't gonna hold back, till I see you bow down
Beating hearts in flames - the ultimate payback
they rest in peace until their time to strike...

BACK!

[Chorus]

My crime is that of love
of course I'm breaking out
My decision is to leave you now
I'm on my way, the walls have fallen I'm on my way.
(I'm on my way)
(I'm on my way)

[Verse 2]

Don't blame me,
because at times like these
you have to chase..
your path of fate.

[Rap]

Why don't you try to stop me right now?
I ain't gonna hold back, till I see you bow down.
Beating hearts in flames - the ultimate payback
they rest in peace until their time to strike...

BACK!

[Chorus]

My crime is that of love
of course I'm breaking out

My decision is to leave you now
I'm on my way, the walls have fallen I'm on my way.
(I'm on my way)

[Bridge]

I couldn't even hear your goodbye
it was too late, it was too late
you turned to something that you never could be, never
could be..
it was too late!

[Chorus]

My crime is that of love
of course I'm breaking out
My decision is to leave you now
I'm on my way, the walls have fallen..
I'm on my way!
