i want to be the one
your hand in my hand
i want to be the one
our feet in the same sand
and i want to be the one
to carry you out to the sea
and i want to be the one
that tells you, you complete me

oh oh ohh x4

and i want to be the one
to watch the sun rise with you
and i want to be the one
to kiss.. right on que
and i want to be the one
making jokes making you laugh
and i want to be the one
to put more colour in lifes little path

oh oh ohh x4

nd i want to be the one
with the shoulder to cry on
and i want to be the one
with the chest to ly on
and i want to be the one
every morning make you smile to
and i want to be the one
one day walk the isle to

oh oh ohh
oh oh ohh
i want to be the one
oh oh ohh
oh oh ohh
i want to be the one
