Pack my bags
Once again
Gonna start
All over again

It's gonna be different this time
Gonna just leave it all behind
It's gonna be different this time
I'm gonna give it a try
A try

Oh oh, oh oh
I'm the new girl in town
(I'm the new girl, I'm the new girl)
I know some girl
Being lonely around
(I'm the new girl, I'm the new girl)
Try to fit in
But there's nowhere no way
So all I can do is keep on trying
Oh oh, oh oh
I'm the new girl in town
Yeah, yeah, town, oh yeah

What to say
I wish I knew
Finding friends
Hardly we knew

All of their whispers and their stares
I'll just pretend that I don't care
It's gonna be different this time
I'm gonna give it a try

Oh oh, oh oh
I'm the new girl in town
(I'm the new girl, I'm the new girl)
I know some girl
Being lonely around
(I'm the new girl, I'm the new girl)
Try to fit in
But there's nowhere no way

So all I can do is keep on trying
Oh oh, oh oh
I'm the new girl in town

And I'll do things my own way
And despite what others say
I could put a pair of shoes
I could fit in
(I will fit in)
And I promise to show you
Just what this girl can do
And I'm walking soft and singing
Like I do
Yeah, yeah

Oh oh, oh oh
I'm the new girl in town
(I'm the new girl in town)
I won't let them
Let me down
I tried to fit in
I'm starting to win
And I'll never doubt myself again, no
Oh oh, oh oh
I'm the new girl in town
(Ooh, ooh, ooh, ooh, ooh...)
Yeah, yeah
Oh oh, oh oh
I'm the new girl in town
(I'm the new girl, I'm the new girl)
You might see me
Walking around
Yeah, yeah
I tried to fit in
I'm starting to win
And I'll never doubt myself again, no
Oh oh, oh oh
I'm the new girl in town
(Town, yeah)
