Put your hands up,
Hands up (Life is just a crazy ride),
Put your hands up,
Hands up (Dance dance dance),

I wanna reach this sky tonight,
I wanna breathe it in,
Just like a rollercoaster ride,
Don't wanna see it end,

Through the storm,
Through the rain,
Life is just a crazy game,
Dance until we go insane,
No pain, No gain,

Put your hands up,
Hands down now turn around,
When you hear that sound,
You've gotta stop and pose (Yeah),
Let's go tonight,
Two steps to the right,
Turn around,
That's right,
You gotta stop and pose,
We'll have 'em screamin' more,
You know life's on the dance floor,
So just forgive it, Forget,
Put your hand up,
Hands up,
Life is just a crazy ride,
Put your hands up,
Hands up,
Dance Dance Dance,

I found a crazy photograph,
Of you and me,
And now I'm through with being mad,
It's history,

Through the storm,
Through the rain,

Life is just a crazy game,
Dance until we go insane,
No pain, No gain,

Put your hands up,
Hands down now turn around,
When you hear that sound,
You've gotta stop and pose (Yeah),
Let's go tonight,
Two steps to the right,
Turn around,
That's right,
You gotta stop and pose,
We'll have 'em screamin' more,
You know life's on the dance floor,
So just forgive it, Forget,
Put your hand up,
Hands up,
Life is just a crazy ride,
Put your hands up,
Hands up,
Dance Dance Dance,

Gotta crank that beat,
Make 'em beg for mo',
Everybody wanna get on the dance flo',
Gotta live your life,
And live original,
And we all got ups and downs,
You know,
Life is just a crazy ride,
So relax and break it down tonight,
If it's rough, That's enough,
Dance, dance, dance,

Put your hands up,
Hands up,
Put your hands up,
Hands up,

Put your hands up,
Put your hands down,
Now turn around,
When you hear that sound you've gotta,
Stop and pose,
Let's go tonight,
Two steps to the right,
Turn around,
That's right,
You gotta stop and pose,
We'll have 'em screamin' more,

You know life's on the dance floor,
So just forgive it, Forget,
Put your hand up,
Hands up,
Put your hands up,
Hands up,
Dance Dance Dance
