It's 1 am  
I should be asleep  
I tried everything  
Even count sheep  
Think about what I should've said today  
It keeps me thinking 'bout one thing to say

Why wreck my brain  
Why wreck my brain  
I drive myself insane  
Know that something I can change  
Why wreck my brain  
Why wreck my brain  
I drive myself insane  
Know that something I can change

Should woulda coulda  
Said this said that, oh  
Shoulda woulda coulda  
Done this done that  
What I said what I meant  
Take me wrong  
But the time is gone  
Gotta move along  
I shoulda woulda coulda  
Should woulda coulda  
Said this said that, oh  
Shoulda woulda coulda  
Done this done that  
What I said what I meant  
Take me wrong  
But the time is gone  
Gotta move along  
I shoulda woulda coulda

Stand sharp  
Now I'll only be ahead  
But I'm still thinking 'bout  
What I should've said  
It's messing with my head  
And I can't get it out  
Something keeps telling me

Makes me wanna shout

Why wreck my brain  
Why wreck my brain  
I drive myself insane  
Know that something I can change  
Why wreck my brain  
Why wreck my brain  
I drive myself insane  
Know that something I can change

Shoulda woulda coulda  
Said this said that, oh  
Shoulda woulda coulda  
Done this done that  
What I said what I meant  
Take me wrong  
But the time is gone  
Gotta move along  
I shoulda woulda coulda  
Shoulda woulda coulda  
Said this said that, oh  
Shoulda woulda coulda  
Done this done that  
What I said what I meant  
Take me wrong  
But the time is gone  
Gotta move along  
I shoulda woulda coulda

Why I wreck my brain  
(Drive myself insane)  
Why I wreck my brain  
(Drive myself insane)  
I shoulda woulda coulda  
I shoulda woulda coulda  
I shoulda woulda coulda  
I shoulda woulda coulda  
I shoulda woulda coulda

Shoulda woulda coulda  
Said this said that, oh  
Shoulda woulda coulda  
Done this done that  
What I said what I meant  
Take me wrong  
But the time is gone (it's gone)  
Gotta move along  
I shoulda woulda coulda  
Shoulda woulda coulda  
Said this said that, oh

Shoulda woulda coulda  
Done this done that  
What I said what I meant  
Take me wrong  
But the time is gone (the time is gone)  
Gotta move along  
I shoulda woulda coulda

Should woulda coulda  
Said this said that, oh  
Shoulda woulda coulda  
Done this done that  
What I said what I meant  
Take me wrong  
But the time is gone (the time is gone)  
Gotta move along  
I shoulda woulda coulda  
Should woulda coulda  
Said this said that, oh  
Shoulda woulda coulda  
Done this done that  
What I said what I meant  
Take me wrong  
But the time is gone  
Gotta move along  
I shoulda woulda coulda
