Blood pig  
Blood pig

I'm sorry  
I'm ugly  
All that I am  
And I can never live up

I'm failing  
I'm angry  
Afraid of the ways  
They pretend to be us

It's fucked up  
I'm different  
Words remain  
My only escape

Art saves  
All of me  
Evolving

And now you're walking away!

I'm not afraid  
And now you're walking away!

I'm not ashamed  
Now you're walking away!

(voodoo spell)

My mistake  
Was trusting you

Blood pigs  
Were creating my fate

With poetry  
And suffering

I cannibalized

Every ounce of my pain

I'm still afraid  
Everyday

These greedy worms  
They devour my plagues

I'm not your slave  
I'm conquering  
You see me rise

And now you're walking away!

I'm not ashamed  
And now you're walking away!

I'm not afraid  
And now you're walking away!

[bridge & tunnel]

You can't get me anymore!  
You can't get me anymore!

Fed from the wound from  
Which we were bled

Vomiting filth in  
Our soft cave heads

Chewing on tissue,  
Tendon and fat  
Destroying the things  
They do not understand!

Tyrant.

Betrayer.

Parasite.

Traitor!!

....and still u feed them  
....and still u need them

I'm sorry  
I'm ugly

Dangerous

Can't describe it enough

I'm failing

I'm angry

I use my fear

To empower my hate

I'm fucked up

I'm different

Words remain

My only escape

Art saves

All of me

Evolving

And now you're walking away!!!

I'm not ashamed

And now you're walking away

I'm not afraid

And now you're walking away!

And now you're walking away!

And now you're walking away!

And now you're walking away!

(voodoo spell)

My mistake!

Was trusting you!

Blood pigs

With creating my fate!

With poetry

And suffering

I cannibalized....

Every ounce of my pain

I'm still afraid

Everyday

You still suckle my plagues

I'm not your fucking slave

So why you walking away?

Blood pig!

Why you walking away!?
