where do eye begin
never will
never see u again
eye'm trapped within this empty sphere
so much darker without u here

[mikeee]
brother

[mikeee..]
brother

why did u have to die?
never even said good-bye

last laugh
last drink
[oh but that smile]

come back
come back

the tattoos in my kitchen
the basketball games in the driveway
the trivial family feuds

I miss u brother

[& I know your watching us]

forgive our tears
forgive our tears

mikeee, mikeee, mikeee

forgive our tears

papa loves ewe
your mama loves ewe
danny boy, mama barb, jason brian

[mikeeeee..]

I give u now,
to the hidden ones

mikeeeee
