Hag!

She wants me to be just like her!

Toxic!  
Rotten!  
Necrotic!  
Despotic!  
Deceiver!

Hag!  
Hag!

She's falling apart  
She's suffering  
She's lost in the dark  
Choking on jealousy!

She's falling apart  
She's suffering  
She's lost in the dark  
Mental leprosy!

Sovereign Vermin!

Rats in the walls  
Covered in fleas  
Choking on the  
Ashes of jealousy!

Rats in the walls  
Covered in fleas  
Choking on the  
Ashes of jealousy!

Rats in the walls  
Covered in fleas  
Choking on the  
Ashes of jealousy!

She wants me to be just like her!

Greedy!  
Needy!  
Completely empty & scorn!

Hag!  
Hag!

She's falling apart  
She's suffocating  
She's lost in the dark  
Choking on jealousy!

She's falling apart  
She's suffocating  
She's lost in the dark  
Mental leprosy!

Sovereign Vermin!

Rats in the walls  
Covered in fleas  
Choking on the  
Ashes of jealousy!

Rats in the walls  
Covered in fleas  
Choking on the  
Ashes of jealousy!

Rats in the walls  
Covered in fleas  
Choking on the  
Ashes of jealousy!

Rotten slag!  
Hag!

Lies & tears & wasted years  
A rat that poisons  
Itself with fear

You jealous, selfish  
Sack of filth!

Pestilential hag!

I hope you die!  
Choking on your lies!

The mirror is cracked

We're nothing alike  
Burn to ash!

Hag!  
HAAAG!
