killing me  
he's killing me  
we killing me  
me killing me

killing me .....

infectious human waste  
forefather  
cancer  
hunter  
prostate gods

killer  
KILLER

a testosterone feeding drone  
multiplying, multiplying hungry clones

time to  
DEFY  
the HIVE

KILL YOUR MASTERS!

MENOCIIIDE!

kill... x6

[I.]  
our time has come!!!

you're just as weak as me  
but not as strong!

just as imperfect!  
but twice as flawed!

i see your skin  
and i hate the way

you look at me!

and softly invade

eye'm afraid!  
insane!  
rage intensified!

i'll feel no fear or hate as i ...  
commit ....  
MENOCIDE!!  
(menocide!)

girls in the playroom  
house-wives

servants in the workplace  
slaves to lies!!

RISE!  
RISE!

[II.]  
those who refuse to grow

we leave behind

!give death to them!  
with an evolved state of mind

no one's listening  
save your cries

everything they taught  
was a lie

hear me now this battlecry  
DIE! DIE!  
CONCUBINE!

- what to wear
- what to eat
- what to feel
- what to think
- how to act
- how to speak
- insecure
- incomplete!!

ENOUGH!!!

.. apple eater!  
.. deceiver!

.. protector of the way!

this is the beginning of my Liberation!  
THIS IS THE BEGINNING!!

BRIDES & BREEDERS!!

Lillith, Eve, Isis, Kali

GIVE ME FREE!!

(always)  
REMEMBER!!!

FEE-MALE CIRCUMCISIONS!  
BURNING!  
LIKE SALEM WITCHES!

NEVER AGAIN!  
NEVER AGAIN!

no compassion  
kill your masters!  
MENOCIDE!

kill your masters  
kill your masters  
kill your masters  
MENOCIDE!
