

## Otep "Milk of Regret"

Visit "[Milk of Regret](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Was I just your surrogate?  
Was I just your revenge?  
was I just your surrogate  
was I just one more regret

Well I have no regrets yet  
and I  
have no regrets

You'll wish we never took this ride...  
You make me do this, you make me do this, you make  
me  
wish I was afraid of suicide,  
Long ago before I died  
We should never be this high  
I wish I was afraid of suicide

Once was I, made of glass,  
Long ago, before I cracked.  
Once was I, made of glass,  
Long ago  
before I cracked  
YOU MADE ME DO THIS

I just can't forget  
The blood,  
The stitches,  
The bite marks,  
The kisses,  
The glass memories reflecting back  
The suffocating black,  
Ill milk of regret  
Just smile and pretend  
it never mattered anyway  
smile and pretend  
we never mattered anyway

You'll wish we never took this..

I'm starving,  
I'm starving,  
I'm starving for affection

Your heart is made of ash  
you were just a phase to me,  
A sacrificial lamb  
Rejection, Revenge  
Deception, Damaged

I might be going down in flames,

But you will burn with me  
You'll wish we never took this ride

I just can't forget  
The blood,  
The stitches,  
The bite marks,  
The kisses,  
The glass memories reflecting back  
a suffocating black,  
Ill milk of regret  
just smile and pretend  
we never mattered anyway

No one will know

This is the perfect place  
To hide the crime and burn the remains...  
I was so naive  
I refused to feed  
Waiting for you to nourish me  
I was so naive  
I refused to feed  
Waiting for you.

LIKE A LOVESICK ANOREXIC

I just can't forget  
The love you twisted  
The lies you enlisted  
to kill us quietly & beat me down  
I hope you drown in this shit milk of regret  
I WON'T FUCKING FORGET

I'll help you drown while you're world is burning down  
I'll help you drown while you're world is burning down

The whole world is burning  
Your whole world is burning  
Your whole world is burning  
Your whole world is burning down
