If you do this
If you do this you'll never have a chance to try again.
If you do this you'll never have a chance to try.

It's the same sound,
Same sting.
The same collapse,
Of every thing.

It's the same slice,
Same blade.
The same lie,
The same ole vein.

My way
My face
My heart
My race
I'm a mistake.

My way
My face
My heart
My race
I'm such a disgrace.

You're perfectly flawed
You're perfectly incomplete
Like cracks in the glass
And faded photographs

You're perfectly flawed
You're perfectly incomplete
Let them come down
Imperfections will keep you unique

Let to lose, just try again
Let to lose, just try again

Its the same doubt,
The same dream
It's the same sabotage

'cos I'm the enemy

It's the same night
Same day
It's the same parasite,
Feeding on the betrayal.

My way
My face
My heart
My race
I'm a mistake

My way
My face
My heart
My race
I'm such a disgrace

You're perfectly flawed
You're perfectly incomplete
Like cracks in the glass
And faded photographs

You're perfectly flawed
You're perfectly incomplete
A work in progress
Imperfections will keep you unique

A disguise of self-deception
Hides my secrets perfectly
I'm rejecting my reflection
'cos i hate the way it judges me

Don't you do it
You're not even you yet
Don't you do it
You're not even you yet

You're perfectly flawed
You're perfectly incomplete
Like cracks in the glass
And faded photographs

You're perfectly flawed
You're perfectly incomplete
A work in progress
Imperfections will keep you unique
