Can you feel the rumble of the train pullin' in?  
Oh baby, I think it's coming for me  
For me

For having it easy  
Go on resent me  
For me believing that I've got it hard  
Go on and laugh at me  
At me

And I know not where I'll go  
But I hope that it just goes away  
Away  
For me

As a man I can run  
Faster than I can call this love  
From you I'm pulling away  
And with this train a comin'  
I think it's better love that you just stay

I know not where I'll go  
But I hope that it just goes away  
Away

If you feel the rumble of the train pullin' in  
And you get a feeling that I'm coming back  
Well don't be surprised if I got caught up in life  
For I'm leaving for good  
I'm leaving for good  
And I'm leavin'  
I'm leavin'  
I'm leavin' for me  
For me  
For me

I'm leavin' for me

For me
