I don't know what it is
But I feel like a dog
Licking my lips for your love
I read that you're friends with friends of mine
To play you first, I am sure they've tried
But I'll still lick my lips 'til they dry

Chorus:

I don't think there's another way to go
You're probably not the boy I've been waiting for
But like a dog I'll bite if I feel like you're up to play
In any way, I'm licking my lips for your love
I'm licking my lips for your love
I'm licking my lips like a dog

I don't know why
But I feel like I should be straight...
With you, no not in my ways
No I never did get out of that "phase"
No I never could get out of that "phase"
Let me see you rock
And boy let me see you roll
I can tell from your eyes that you've got an itch tonight
to unleash your love and your bone

Chorus

Bo-bo
Bo-bo-bo-bo-bo-bo-bo-bo-bo-bo-bo-bo-bo-bo-bo-bo-bo-
bone

I don't know what it is
But I feel like a dog
And I can tell from your eyes that you've got an itch
tonight to unleash your love and your bone

Chorus
