~As Shane Gray~

Everytime I think I'm closer to the heart
What it means to know just who I am
I think I've finally found a better place to start
But no one ever seems to understand
I need to try to get to where you are
Could it be you're not that far?

You're the voice I hear inside my head
The reason that I'm singing
I need to find you
I gotta find you
You're the missing piece I need
The song inside of me
I need to find
I gotta find you

Oh yeah...yeah yeah

You're the remedy I'm searchin' hard to find
To face the puzzle that i see inside
Betting all my dreams on the color of your smile
When I find you it will be alright
I need to try to get to where you are
Could it be you're not that far?

You're the voice i hear inside my head
The reason that I'm singin'
I need to find you
I gotta find you
You're the missin'piece i need
The song inside of me
I need to find you
I gotta find you

Been feelin' lost
Can't find the words to say
Spendin' all my time stuck in yesterday
Where you are is where i want to be
Oh...next you, next to me

Oh...I need to find you
I gotta find you

You're the voice i hear inside my head
The reason that I'm singin'
I need to find you
I gotta find you

Yeah, Yeah
You're the missin' piece I need
The song inside of me
I need to find you
I gotta find you
I gotta find you

You're the voice i hear inside my head
The reason why I'm singin'
I need to find you
I need to find you
I gotta find you

You're the missin' piece i need
The song inside of me
I need to find you
I gotta find you

Yeah, Yeah
I gotta find you!
