Joe Jonas:

I Love a girl in a whole another language  
People look at us strange  
Don't understand us, they try to change it  
I try to tell her don't change

Talk love and they say it sounds crazy  
Love's even more wild when you're angry  
Don't understand why you wanna change it  
(Girl, listen to me)

You're just running from the truth  
But I'm scared of losing you  
You are worth too much to lose  
Baby, if you're still confused

Girl, I'm just in love with you  
Girl, I'm just in love with you  
No other words to use  
I'm just in love with you  
I'm just in love with you  
Ohh yeah

Lil Wayne:

Ain't no love like the one I got  
I'm a prisoner of love  
Got my heart on lock  
It's like a star from the sky  
Fell by my side  
& she tell me that it's mine  
& I say that's fine  
& she look like a butterfly  
Smell like a flower  
Girl, we go together like  
Money & power  
& I don't need nothing  
Nothing by her  
'Cause all the mother fuckers  
Ain't fucking with her  
& the smile on her face  
Make the world a better place

But she out of this world  
So we somewhere out in space  
Making love like animals  
Planet of the apes  
All night  
All morning  
Too bright for this place  
Man, we just doing what we does  
The tank on e  
Yeah, just enough  
& we just be, yeah, just because  
Don't worry about me  
I'm just in love  
JOE

Joe Jonas:  
When I tell you I would never leave you  
Do you hear what I say?  
Don't understand you  
You say you need time  
But you've been calling all day

Talk love and they say it sounds crazy  
Love's even more wild when you're angry  
I don't understand why you wanna change it  
Girl, listen to me

Girl you're just running from the truth  
And I'm scared of losing you  
You are worth too much to lose (oh baby)  
Baby if you're still confused

Girl, I'm just in love  
Girl, I'm just in love with you  
Do you hear what I said?  
I'm just in love with you  
Can nobody change it  
No other words to use  
I love you, baby!  
I'm just in love with you (repeat)

Woooooah  
Never knew what we have  
They don't understand  
We're just a waste of time  
We know this is real  
I don't know how you feel  
When you put your hand in mine

Girl, I'm just in love with you  
Girl, I'm just in love with you

No other words to use  
I'm just in love with you  
Let me say it again, let me say it again  
I'm just in love with you (repeat)
