Mitchie: I've always been the kind of girl  
That hid my face so afraid to tell the world  
What I've got to say. But I've got this dream  
Bright inside of me I'm gonna let it show, it's time to let  
you know, to let you know.

This is real this is me I'm exactly where I'm supposed to  
be now I'm gonna let the light shine on me know I've  
found who I am there's no way to hold it in no more  
hiding who I want to be. this is me.

Do nknow what it is like to feel so in the dark to  
dreamabout a life where you're the shinning star and  
even thoughit seems like it's too far away I have to  
believe in myself it's the only way.

To this is real this is me I'm exactly where I'm supposed  
be now I'm gonna let the light shine on me know I've  
found who I am there's no way to hold it in no more  
hiding who I want to be. this is me.

Joe  
You're the voice I here inside my head the reason that  
I'm singing I need to find you.

Both  
I gotta find you.

This is real this is me I'm exactly where I'm supposed to  
be now I'm gonna let the light shine on me know I've  
found who I am there's no way to hold it in no more  
hiding who I want to be. this is me.
