Verse Steph Goldii

Medusa queen of the damn I don't give a fuq  
Seducer can take your man and leave you stuck  
Drama-setter blood sucker with ill luck  
Jennifer Leigh wants me to join her club  
Never to royal held high but I walk among  
I'm a centaur Ms. sag with a sharp tongue  
You need three penny in your back pocket for good

I got a nickel in front (in god we trust)  
I'm a threat speak five venoms so deadly  
Foxy Kim Lauren Missy and Angie  
Affirmative bad fuguee cold rock the party  
Baa baa boom baa baa boom feel

My purse does cartwheels and lands in a split  
So hungry I'm thirsty foam in my spit  
Latin mami with a Spanish lisp
