Have you ever been
To a harvester before?

Drift along
Drift along
Gonna find them
Drift along
Gonna find them

Drift along
Drift along
Drift along

Need to make it special
Need to make it new
Looking for the action
Something more to do

Underneath the pavement
Towers in the clouds
Gotta find the action
Need it soon, right now

Drift along
Drift along
Drift along

'Cause I've been searching for
All the people I used to turn to and
All the people who knew the answer
Let's get the feeling again

'Cause I've been searching for
All the people I used to turn to and
All the people who knew the answer
Let's get the feeling again

Back in sweet suburbia
Middle of the road
Looking for the action
Everywhere I go

Need to make it special
Need to make it new
Looking for the action
Something more to do

Drift along
Drift along
Drift along

'Cause I've been searching for
All the people I used to turn to and
All the people who knew the answer
Let's get the feeling again

'Cause I've been searching for
All the people I used to turn to and
All the people who knew the answer
Let's get the feeling again

'Cause I've been searching for
All the people I used to turn to and
All the people who knew the answer
Let's get the feeling again

'Cause I've been searching for
All the people I used to turn to and
All the people who knew the answer
Let's get the feeling again
