you say angry as me I see

you say sorry a day it to be

the girl that you thought it's not what I am

I just need to feel would be you here

you say angry as me I see

you say sorry a day it to be

the girl that you thought it's not what I am

I just want your love your company

I just can't stop my fascination

oh you'll cause on my intimidation

I just can't stop this fascination

in my head on my contradiction

you say angry as me I see

you say sorry a day is to be

the girl that you thought it's not what I am

I just want your love your company

you say angry as me i see

you say sorry a day is to be

the girl that you thought it's not this I am

I just want your love your company

I just can't stop my fascination

oh you'll cause on my intimidation

I just can't stop this fascination

in my head on my contradiction

I just can't stop my fascination

oh you'll cause on my intimidation

I just can't stop this fascination

in my head on my contradiction

I just can't stop my fascination

oh you' ll cause on my intimidation
I just can' t stop this fascination
in my head on my contradiction
