(Sample)

Thank you every - come on,
give her a proper Liverpool hand you can do better
than that!

And now, ladies and gentlemen what you've been
waiting for.

(sung)

I've come a long way

(spoken)

I've come a long long way since the day you walked
into my life

(sung)

You walked into my life

(spoken)

You smoothed out all of the rough edges with your
sweet

love and devotion

(sung)

I was tired, in love like a fool

(spoken)

I was tired of living the life of a fool I was wondering
where I'd gone wrong

(sung)

But I know it's gonna work out fine

(spoken)

But I know it's gonna work out fine when I see that
look in your eyes

CHORUS

yeah

I've never felt so good

I've never felt so strong

Nothing can stop us now

No, no, no, no

(sung)

I've heard some people say

(spoken)

Yeah nothing can stop us now I've heard people
say that a man who needs a woman is weak

(sung) So wrong oh they're so wrong

(spoken)

But they're so wrong because nobody can hide from
love

(sung)

Ooh do you want to know

(spoken)

Do you want to know, do you want to know something
else that's true?

(sung)

It's true it's true just the touch of your hand, wo-oh

(spoken)

Just the touch of your hand and I know we can make it

CHORUS

I've never felt so strong

I've never felt so good

Nothing can stop us now.

Nothing, nothing etc.
