Things I do (X5)
Yeah (X4)
How's it (the man) how's it (the man knows) Yeah (X3)
Not very elegant
That he's the chairman of the board
My idea
Very very rarely
My idea (X3)
Tries to talk (X3)
Tries to talk like he's the chairman of the board
Very very rarely
Any one of you miserable musicians want any more
pills
You have to stand there out of his head
Have to wait for the boat to come in and maybe it never
will
My idea
Wheres' it go (X2)
Move over (X2)
You're a very intelligent person
Trying to talk to that one way mirror
Thinks he's the chairman of the board
Holding onto your own little truth
That he's the chairman of the board
Very very rarely
Where'd you go?
Yeah (X3)
How's it the man (X2)
How's it the man knows (X2)
Yeah
Not very elegant
That he's the chairman of the board
My idea
Very very rarely
My idea (X3)
But yeah
The Hacienda
Very very rarely
My idea
How's it the man the man knows (X4)
Yeah (X4)

Call the carabieni
How's it the man
Are you sure?
Yeah
