I thank the morning when she comes
Count every moment when she's gone
How can we fall out of the sky in a precious world that's
just begun

Heeeyeyyyyy
How can you hurt someone
Heeeyeyyyyy
How can you hurt someone
Heeeyeyyyyy
How can you hurt someone
I love the morning when she comes
Count every moment when it's gone
How can we fall out of the shy in a previous world
there's only one

Heeeyeyyyyy
How can you hurt someone
Heeeyeyyyyy
How can you hurt someone
Heeeyeyyyyy
You keep hurting me now you're gone
How can you hurt someone
How can you hurt someone

She says the strangest things all the love she brings
will take over
The best of everything there's nothing else to live for
Love is the greatest thing and there's nothing else to
live for
Love is the greatest thing and there's nothing else to
live for

How can you hurt someone if there's a higher ground
How can you hurt someone if there's a lower sound
Heeeyeyyyyy
How can you hurt someone
Heeeyeyyyyy
How can you hurt someone
Hurt someone Heeeyeyyyyy
You keep hurting me now you're gone

Heeeyeyyyy
You keep hurting me now you're gone
(Heeeyeyyyy)
You keep hurting me now you're gone
(Heeeyeyyyy)
How can you hurt someone you keep hurting me now
you're gone
