All Alone It's Been Like That For Years  
Counting Minutes And Days

Makes Me Wonder, Makes Me Dread  
The Future Of The Human Race  
I'm All Alone There's No One Around, There's No Help  
And There's No Cure  
I'm All Alone, The Last Man On Earth, Will This  
Nightmare End For Me?

Vampires, Vampires ãfÂçâ, -" They're Getting Closer  
Every Day  
Vampires, Vampires ãfÂçâ, -" My Spirit Draining Away  
Vampires, Vampires ãfÂçâ, -" I Am Alive But Feel  
Undead  
Vampires, Vampires ãfÂçâ, -" The Last Man Here  
I Saw Them All Come Back To Life  
Saw The Change In Their Eyes  
Dead By Day And Alive By Night  
Had To End Their Misery  
I'm All Alone There's No One Around, There's No Help  
And There's No Cure  
I'm All Alone, The Last Man On Earth, Will This  
Nightmare End For Me?
