It's The Cold And Piercing Eye
Haunting Me All Day And Night

Looking Right Into My Soul And Seeing Things No One
Should Know
A Knowing Gaze That Drove Me Mad, I Had To Do What I
Was Told And Now

I'm In A White Room
With Padded Walls
I'm Being Strapped Down
So I Can't Walk
I'm Being Drugged Out Of My Mind
So I Can't Kill You
It's The Ticking Of His Heart
I Still Hear Inside My Head
Accusing Me, Reminding Me Of Crimes Committed In
Cold
Blood
A Victim's Call For Punishment That Locked Me Up For
Good
And Now
