Little Ghouls In Kid's Disguise, Invading Halloween
No More Candy, No More Fun
You Are The Main Course In Their Feast

Trick
It's The Hunger
Treat
Taste For Human Blood
Trick
Craving For Human Flesh

Give A Finger 'n You Might Live, Give Nothing And
You'll Die
Better Serve Them Body Parts
What You Can Spare And Stay Alive

Repeat Bridge

Hallow's Eve
Hallow's Eve Tonight
Hallow's Eve
Hallow's Eve Tonight

Sacrifice Someone And Live, Cause All The Want Is
Flesh
Strike A Deal And Feed Their Lust, Maybe The Won't Be
Coming Back
