In the corner of my eye
I can see you looking fine and dandy
i know you're playing it cool
You can see I'm not a fool
I might be

In the corner of my eye
I can see you looking fine and dandy
i know you're playing it cool
You can see I'm not a fool
I might be

Don't you want to run with me and shed that foreskin
come with me, come with me

Won't you let me be your heartbreaker
Yeah
4x

Silly me and silly you
Silly for not speaking the truth
What else in the world could we ever do
Pther than what we really want to
I can see it in your eyes you stay and stare
No truth or dare
I like to believe I know what you're thinking
Something I like I can hear you thought dripping
dripping, drippin, drippin.....

Would you let me be your heartbreaker
Yeah
x4

Boy meets girl in a rock show
Holding hands of whom, you don't know
Get ready to implode the only heart you own
Get ready to implode the only heart you know
repeat x2

Won't you let me be your heartbreaker
Yeah
4x
