

Steve Aoki "Livin' My Love"

Visit "[Livin' My Love](#)" on MotoLyrics.com

when i wake up, still drunk
got my shoes on my feet
iâ€™m hesitating to look at my computer screen
i live up on a cloud for the whole world to see

we got that party pooper, head to toe
itâ€™s going full of sass, straight down the throat
ganging money, coupon with note
two bad boys, them girls a fraud

Imfao, yo yo, Imfao, yo yo
we stopped killing our buzz,
we party rock with you

iâ€™m just living my
iâ€™m just living my
iâ€™m just living my love, love, love
why you killing my
why you killing my
why you killing my buzz, buzz, buzz

iâ€™m not gonna play fair
if you donâ€™t play back
i donâ€™t wanna be a b-tch
but this game is w-ck
so get of my way
say whatever you say
iâ€™ll be living my love
living, livingâ€¦

so you can be a hater
if it turns you on
do whatever you want
if it makes you feel strong
but you better down
cause this road is long
and iâ€™ll be living my love
living, livingâ€¦
iâ€™ll be living my love

iâ€™m just living my
iâ€™m just living my

iâ€™m just living my love, love, love
(iâ€™ll be living my love)

why you killing my
why you killing my
why you killing my buzz, buzz, buzz

yo, i donâ€™t mean to stop you
but you might wanna pick up the name you just drop
iâ€™m like a helicopter, yeah you up in the building
but iâ€™m up on top ya
hey man, take this binaca
while i walk around the club
wanna fizz the vodka
a party rocker
a panty dropper

shut up, whoâ€™s laughing at your jokes
now, shut down
you should walk away
cause no oneâ€™s laughing at your jokes
now, yes it shut down
you better hear me say

i, i, i
you better hear me say
i, i, i
go go go go go

iâ€™ve been living my love!

iâ€™m just living my
iâ€™m just living my
iâ€™m just living my love, love, love
(iâ€™ll be living my love)
why you killing my
why you killing my
why you killing my buzz, buzz, buzz
(iâ€™ll be living my love)

iâ€™m just living my
iâ€™m just living my
iâ€™m just living my love, love, love
(iâ€™ll be living my love)
why you killing my
why you killing my
why you killing my buzz, buzz, buzz
