I go to the touch  
I put your name on my arm  
Do you wish is to my eyes  
My burning paradise  
I thought that angry you  
I was so happy  
You were my lover and you were gospel  
My substitute for sadness  
I cross the... in pieces in pieces

Chorus:

I fell down to you,  
I was the fool I helped you to  
And you took me up, and you shoot me down  
You a Judas, you a Judas, Judas

You're a poker this was mine, my sweet Mary  
I tired way this coming wash away, wash away  
Do you drive on the water, tripped on the rainbow  
I was so... is there a ghost of a chance now  
Want someone talk to me now  
I'm... in pieces, in pieces

Chorus:

I fell down to you,  
I was the fool I helped you to  
And you took me up, and you shoot me down  
You're a Judas, you're a Judas, my Judas  
Judas

Lover, I thought I knew you  
Say goodbye to the whole world  
Behind the mind eyes of a child  
I hear, I see you well

Would you talk with me,  
Come and walk with me,  
Give me a sign, give me a clue  
'Cause I loved you, I was the fool  
Believe in me, believe in me I'm Judas, yeah  
Judas

Judas, I believed in you  
I ball down to you,  
I was the fool I loved you too  
And you took me up, and you shoot me down  
You a Judas, you a Judas, my Judas
