I Will Never Let You Down
cause you are my high
I Will Never Let You Down
cause i need you now

Where ever you go
What ever you want
What ever you need
it's alright

I Will Never Let You Down
cause you are my high
I Will Never Let You Down
cause i need you now

for you and i
for you and i
it's alright

Where ever you go
What ever you want
What ever you need
it's alright

I Will Never Let You Down
cause you are my high
I Will Never Let You Down
cause i need you now

Where ever you go
What ever you want
What ever you need
it's alright

Where ever you go
What ever you want
What ever you need
it's alright

for you and i
for you and i
it's alright

I Will Never Let You Down
cause you are my high
I Will Never Let You Down
cause i need you now

Where ever you go
What ever you want
What ever you need
it's alright

Where ever you go
What ever you want
What ever you need

for you and i
for you and i
it's alright

it's alright
