Bound in chains I rode this train a hundred years ago
Now nothing's changed just the same old pain and
a tired weary soul
Been lost in desire burned by the fire betrayed by all
my friends
Stabbed in the back swore I'd never come back now
here I am again

Lost control and they took my soul
If not for you I'd be lost
And all I'd forsake for the risk I take
For my love I'd pay the cost
Thought I'd paid my debt with my stay in hell but
this war still goes on
Now I thirst for blood fight myself insane, feel more
anger every day

What can you say when it's all in vein, can't I
have this one thing
You're all I see but it just can't be, the
forbidden tastes so sweet
Sins of the night what's wrong what's right
have to kill to stay alive
It's an endless fight unleash the night there's a
Bad Moon on the rise
Set me free

Lost control and they took my soul
If not for you I'd be lost
And all I'd forsake for the risk I take
For my love I'd pay the cost
Thought I'd paid my debt with my stay in hell but
this war still goes on
Now I thirst for blood fight myself insane, feel more
anger every day
