When I see you again
This is what I'm gonna do
1. I'm gonna touch you
2. I'm gonna feel you
3. I'm gonna love you
When I see you again
(Chorus)
This is the way it's gonna be
Everyday babe just you and me
Our love is gonna grow
Like a flower in the sun
Whenever I'm near to you
This is what I'm gonna do
1. I'm gonna talk to you
2. I'm gonna kiss you
3. And yes, I'm gonna love you
That's the way it's gonna be
(To Chorus)
Whenever I think of you
This is what I want to do
1. I'm gonna trust in you
2. I'm gonna care for you
3. I'm gonna love you
You bring out the best in me,
That's all you have to do.
