I've got a whole lotta lovin', baby, just waitin' for you  
I've got a whole lotta lovin', baby, just waitin' for you  
And the way I could love you, I know you would love me  
too

You're so good lookin', baby, you're built up from the  
ground  
Yes, you're so good lookin', baby, you're built up from  
the ground  
Every time I see you, baby, my whole love comes  
tumblin' down

Well, you're just my type, baby, you're just my height  
and style  
Well, you're just my type, baby, you're just my height  
and style  
And the reason why I love you, you got those dreamy  
eyes

Well, you're so good lookin', baby, and you're built up  
from the ground  
Yes, you're so good lookin' baby, and you're built up  
from the ground  
Every time I see you, baby, my whole love comes  
tumblin' down

I've got a whole lotta lovin', baby, just waitin' for you  
I've got a whole lotta lovin', baby, just waitin' for you  
And the way that I could love you, I know you would  
love me too
